

Our Responsibilities

Workplace

Equal opportunity and diversity

It is the aim of the company that there shall be equality of opportunity throughout the organisation. There will be no discrimination on the grounds of gender, ethnicity, disability, religion, age and marital status, except where this is necessary to ensure that the job is done effectively and safely. Diversity moves beyond just simply equal opportunities and encourages us to acknowledge individual difference in a positive way

Disability

Taskmaster takes its responsibilities in dealing with disabled employees seriously and is always willing make reasonable adjustments to the workplace and/or employment arrangements in order to support people with disabilities as necessary in the fulfilment of their roles

Pay and Benefits

Our pay and benefits packages are designed to attract and retain the best at every level within the business. Salaries are benchmarked on a regular basis.

Recruitment, Retention and Training

The Taskmaster board is committed to funding training to help develop our teams to realise their full potential. Taskmaster recruits and retains good people by offering attractive working conditions and good benefits

Community

Taskmaster is actively involved in the community and supports several local charities.

Environment

Protection of the environment in which we live and operate is part of Taskmasters values and principles and we consider it to be sound business practice. Care for the environment is one of our key responsibilities and an important part of the way in which we do business

Health & Safety

Taskmaster continues to develop our health & safety systems. These systems include risk assessments, food safety, manual handling and internal audits
